MEMORANDUM

SUBJECT: Preliminary Assessment Reports on Environmental
Priorities Initiative Sites

FROM: William H. Taylor, Chief
Superfund Site Assessment Section (6H-MA)

TO: Bill Luthans, Chief
RCRA Permits Closure Section (6H-PC)

Attached please find copies of Preliminary Assessments (PAs) or PA
reassessments, along with completed Superfund Site Strategy Recommendations,
for the following sites:

- Walker Wood Preserving Company, Livingston, Texas (TXD026042168)
- Houston Lighting and Power, Bacliff, Texas (TXD000837401)
- *- Valentine Sugar, Inc., Lockport, Louisiana (LAD008178790)
- *- Kaiser Aluminum and Chemical, Baton Rouge, Louisiana (LAD008187692)
- *- Beafnd Poulan (Weed Eater Site), Shreveport, Louisiana (LAD062921192)
- *- Universal Oil Products, Blanchard, Louisiana (LAD057109449)
- *- Shepherd Oil, Jennings, Louisiana (LAD084965755)
- Big Three Industries, Gonzales, Texas (TXD982290934)
- E&S Machine, Longview, Texas (TXD045585882)
- Texas Utilities Electrical, Colorado City, Texas (TXD000751040)
- Petro United, Inc., Seabrook, Texas (TXD096602941)
- *- Chamberlain Featherlite, Hot Springs, Arkansas (ARD035519537)
- Dresser Industries, Dallas, Texas (TXD030171971)
- *- Madewell Metals, Muskogee, Oklahoma (OKD032994345)
- A. B. Chance Company, Houston, Texas (TXD079417515)
- Witco Chemical Corporation, Marshall, Texas (TXD049213127)

We have determined that a screening site inspection (SSI) is necessary for
eight of the above sites (marked with *) and have tasked that work to the
FIT. For the other sites, we have determined that no further remedial
investigation is appropriate under Superfund.
